BALLABROOIE,

Your Highness,

I feel I should bring to Your Highness' notice two matters in regard to which I have heard from Mr Burgh.

With Your Highness' consent, I had requested permission to allow Mr Hayagriva Rao to reside in Shimoga & Daily Cash in Bangalore in the initial stage of the project. His Highness has graciously approved of the proposal.

Mr Burgh also sent me a copy of a letter he wrote to Mr Venkatakrishnayya. He has doubtless also sent a copy to Your Highness. In view of that communication

I have applied to Mr V's
letter & expressed a hope that he
would be accommodating in his attitude
towards the School Committee.

Yours Respectfully obedient servant,
M. Visvesvaraya
